“ *For ones who's light has disappeared far beyond his time. One who touched so many lives, including yours and mine. A smile that made you smile right back, a sparkle in his eyes. A spirit filled with joy and hope, a heart that was kind and wise. He may be removed from our view this day both in time and space. But memories we made with him nothing can erase.*

“ Dear Tanya , my deepest sympathy to you and the family. You and Kevin loved each other so very much. When you get sad and miss Kevin, remember what Jesus said. “In My Father’s house there are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go to prepare a place for you, I will come again, and receive you unto myself, that where I am, there you may be also. “

Much much love

“ I've know Kevin since childhood when the Woodhull's moved into our neighborhood. Kevin was the same age as my brother so he was at our house a lot. So much that i often thought of him as an annoying little brother, a role that he thought was very funny. There were a lot of kids in our neighborhood and it felt like a huge extended family. We didn't have electronics to entertain us, we had each other. And that was all any of us ever needed back then. Our world consisted of our neighborhood friends and Kevin was an integral part of that world. All of us neighborhood kids have happy memories of Kevin and now he will live on in our hearts until we see him again.

I broke down after I heard and the memories come flooding back. God granted me life time friends and I was lucky enough just to know Kevin.

“The smile is what I remember most as the miles of time and space could not boast or have never predicted how far from You I would be during this time.
The past is exactly that, and as a Father, Son, Brother, and Uncle, You have shown passion for Family that will never denied.
It soothes Me to know that any pain You have experienced is no more, and You are finally at Peace.
You will forever be blessed and will never be forgotten. To Your closest Loved ones, send Prayer with a heavy heart, the art of Life is impact others, and I remember how You have impacted Me.
“Rest Easy”
