“ *I am absolutely heartbroken. I have been knowing Keyron for 20+ years with his sweet self. He would call me on my birthday, invite me and my son, Landis to his house for special occasions. I would pick him up and bring him to my house or my son to his house. When I heard of his passing it seems as though my hearing stopped. To his mother, brother, sister, father, step father and his children, Keyron was special and I loved him. He will be missed and his exploits will be regalled for years to come. May you find peace Keyron as you will be surely missed!! RUP (Stacy Moore)*

“ *My heartfelt condolences to the family of Keyron, I'm so happy that he allowed me to pray with and for him. To be absent from the body is to be present with The Most High. Only He can accept or reject us into His Kingdom no matter what anyone says or does. 🙏💜💔💔💔*
