“ *My condolences to the family. Kurt was a very loving, thoughtful, kind man who loved to cook the most amazing meals for my son and I. He cared deeply for us and my son has recently talked about how much he now understands and appreciates Kurt showing him the ways for a young man. I have missed you and may you rest easy in Heaven.*

“ Kurt was a brother that anyone could ask for. He was younger than me but I still called him my big brother. I was married into the family and became his sister in law. No matter what, Kurt never treated me any different from the family. Kurt was someone I could depend on. He never let me down. I Never forget when he resided at Massachusetts in Boston, I visited some family there and I called him to let him know I was in town. Kurt didn't hesitate and came to my family gathering and turned it out. Kurt was always the life of a party no matter where he was, He knew how to bring out the best in people. By the time the party was over, He had my cousins standing on line to meet him. I was so proud of him because he was my big brother. I loved him and will always love him. He Is my forever big brother. Rest in peace Kurt, I know you are in good hands with God. We'll see you again when god opens his door to heaven someday. Love you always. Your sister Patricia.
