“ *What a man of God, what a man.
Had the blessing of getting to meet and hear him deliver a word from God. He was friends with my late pastor Rev Geroy Osborne and visited our church on several occasions. Great teacher and almost as entertaining and funny as (DC)....
May God continue to bless his family and loved ones as we bow to the will of our God, who makes no mistakes. Father, give us strength to accept Your will and turn our sorrows into praise. We thank you for the life of Your servant and the lives he touched.*

“ I met Rev. Dr. L. K. Curry at Cornerstone Church. The first time I met him, I knew he was a man of God. I remember his heartfelt benedictions; often bringing tears to my eyes. I loved it when he quoted Psalm 119:105, "Your word is a lamp for my feet, a light on my path". To the Curry Family, know that you are not alone in your grieving process. Your Cornerstone family is there for support as you mourn, Matthew 5:4, "Blessed are those who mourn, for they will be comforted."

“ Our hearts grieve with the family and countless others over the homegoing of our beloved Pastor, Rev. L.K. Curry. Pastor Curry leaves behind a blueprint for growing missionary centered churches through worship and fellowship. His pastoral leadership was built on biblical doctrines in training the congregation through sermons, bible study, prayer services, music, church groups, and programs to strengthen the missionary outreach.

His crowning achievement was the establishment of the Emmanuel Christian School along side his wife Dorothy D. Curry. The mission statement highlighted its purpose for future generations: “Evangelism through education, educate to evangelize”

May the works he’s done continue to speak for him.

Dr. Curry was a monumental figure in the struggle for social justice, closely associated with the Civil Rights Movement alongside Rev. Dr. Martin Luther King Jr. and our own beloved Rev. Dr. Bill Lawson Jr.. His life was a powerful testament to the bridging of faith, justice, and community empowerment—values that SHAPE holds dearly and continues to strive toward. His loss is felt not only by the church, but by the broader movement for justice and equity.
