Larry was a big part of my life for years and always will be. I am so very thankful I had the opportunity to know and love him for his caring spirit, his laughter and most of all his love for his family. He will forever be where I will carry him always, in my heart. Marnae yes you and Larry had four children that I got to know and am very thankful for them being apart of my life. I love you my family and together we will get through this with all of GOD's help. Larry Keith Watkins I love you! R. I. H. until we meet again

I loved Mr. Larry. He use to come to checkers when I was a supervisor. He would always check on me and my crew. Also he would do some work for me on the outside of the store. We use to make sure he ate and was straight. The last time me and my pops saw Larry was at the waffle house on 155. He came and said hey boss lady. That was my name from him. U will truly be missed. We love you with all our heart. R. I. P Larry!
