“ *Unfortuantley I was unable to live stream the day of.And hopefully my message will reach the family.With hopes that it will help ease some of the pain you felt and still feel.Mrs.Carmichael was reserved and quite.But mighty and strong in her own little way.I will always remember her sitting in the mothers of the church section with my mother almost every Sunday.And she would always great me with a hug.Those that spoke about her speaks volumes about who she was.She was like a second mother to me.*
