“ Dear Cook Family,

*My condolences to you all. Mom and Dad (Big Jake) were special Christian people! Honest, true and caring. I benefited from their love, guidance and acceptance of me as extended family.*

*Whenever I would talk to Mom, she was always willing to listen to an update on how her "other" son was doing and then she would bless me. That blessing came from a special hand, a true servant of the Lord. A blessing from Sis. Cook is of high regard!*

*When my wife and I decided to get get married, I brought her right away to meet Mom. Brother Mike was there. Sis. Cook was so happy for me. I'm not sure, but I believe she offered us her famous home made ice cream.*

*What a blessing to have her for so long! God had looked down and rewarded her and the Cook family. I too am blessed.*

*The saints of her era have paved the way, now it's up to us to follow the path.*

*Love and miss you, Mom!*

*Warmest regards,*

“ Sis. Lula Betty Cook, South Brooklyn's S.D.A. Church very own Song Bird. I wish you all could have heard her sing her voice would transcend you toward heaven. When she sang duets with Sis. Molly McCoy our Minister of Music you knew you were in for a real treat. Also Sis. Cook's son Mitchell what great talents we had at South Brooklyn. She was a gentle soul with a humble spirit. To know her was to love her. May she sleep in heavenly peace. Gone, but we will never forget!!! 🎵🙏😊💕

“ *I can remember whenever Sister Betty Cook sang "Holy," I and the South Brooklyn congregation would burst in tears. Her melodious voice and the words of the song touched each and every heart. The song named bible characters who we would see in heaven, but the line that is embedded in our hearts was, "I said, I want to see Jesus, the one who died for me; and I fell on my knees and cried Holy, Holy . . ."*  
*I know Sister Betty Cook is resting in peace until that day she sees Jesus and cries out "Holy!"*
