“ *Our dearest Auntie and Sister:*

*Our hearts are missing you already. We thank God for the time he allowed us to be in your life. Thank you for being a loving and caring auntie and sister. Although you are gone you will forever be in our hearts. A precious limb has fallen from our family tree that says grieve not for me I'm in a better place. Your soul is laid to rest and illness you will suffer from no more. We will remember the best times, the laughter, the song, the good life while you were strong. The special memories of you will always bring a smile that lights up the room. You are at peace and your battle has ended on this side. Until we meet again. Love Carolyn Brannen; Cheryl, George, Michael, Phillip and Chessanee Ramsey; Bria Blackmon; and Faith Blackmon.*

“ I love you dearly, with all my heart  
My cherished wife and friend  
Ours is a love that deepened through the years  
And it's a love that will never end  
Thank you for being the kind of wife and mother  
Who blessed our home and family  
By doing special things for each one of us  
And loving us unconditionally  
You watched over us in good times and bad  
You honored every wedding vow  
As you cared for us in sickness and health  
And we feel lost without you now  
It's so hard to realize that life has changed  
And it will never be the same again  
As I face a lonelier future  
Without you, dearest wife and friend  
I can only feel to honor you  
To be grateful for all the memories  
That you lovingly created throughout the 20 years you graciously  
gave me.
