“ Remembering the good times we had! The times you use to gather everyone together and go the chinese restaurant on 167 to go eat as a family. The times you use to save me from getting a whooping from mom. You treated everyone with so much love and was so caring. A big giant that everyone to loved to be around. You took everyone in as one of your own. You taught me many lessons and always guide me in the right direction. I remember walking in grandma house and smell the pig feet cooking and you would say you just in time. Would cook your special chinese rice. We will all cherish the moments we shared. We love you and will miss you grandpa! SIP grandpa! 😞
