“ Marlene has been a very good friend of mine since childhood days. We shared very special stories and memories especially those concerning her cousin and my daughter Jody whom she helped to care for and who she loved dearly. I visited with her at her beautiful home in the cool and balmy hills of Runaway Bay, St. Ann, in January of this year. She was looking forward to returning in May of this year. Marlene, you have fought a good fight, you have finished the course you have kept the faith. There is now laid up for you a crown of righteousness which the Lord shall present to you. I love you dearly Marlene. I miss you. I weep for you. Sleep on sweet angel. Sleep on and take your rest. RIP my friend.
