“ To "Mama Mary's" family:

Due to work, I cannot make the visitation nor the funeral service, even though I wanted to SO badly. When Mary worked in the school cafeteria, my Mother, her and I ALL became good, close friends. So close that SHE would get my behind FASTER than my own Mother if I got into trouble. Even though I know she is not hurting anymore and there is NO DOUBT in my mind that she is in a much better place than we are, it hurts my heart that such a lovely woman is gone from us!!! Mary WILL be sadly missed by all those who knew her and no other person on this earth ranks SO close to my own Mother as Mama Mary. I love you dear lady and may you rest in peace! You've earned your special place in heaven and I'll miss you!

To the family members, may God bless you and comfort your hearts at this difficult time for you all!
