“OMG! I had no idea. I was on this website looking up someone else when I suddenly came across his name and picture. I thought no, this can't be him and then I saw his birthday on the obits and couldn't believe it was him. I hadn't seen or talked to him for years, but for some reason in the past month or so he was on my mind, but I didn't know how and where to contact him. Michael and I dated back in 1978 when we lived on Newtown Circle. We were both eighteen years old. He left and went into the military and I didn't see him anymore. He wrote me, but we lost contact over the years. I'm so hurt to see this and really wished I had been able to contact him to just say hello! God put you in my spirit for a reason! Rest in Peace Michael. You will always be loved my friend!

“ Michael you will be truly missed, I already missed the daily calls "Asking what y'all doing, I'll talk to you later. Love you" we were making plans, but God has plans for you. Rest In Peace. We Love You Pam!
