“ Mozella was a special child of God! She was always willing to give encouraging words to our youth. We will miss her calls on the prayer line ... knowing that Jesus still answers prayers . May the Lord strengthen her family.

“ I always thought that was a very pretty and kind person. The last time I saw her was at the voting precinct where I work and she came to vote. She very cheerful smiling and glad to see me. May God keep the family uplifted and may He restore the peace in your hearts. So sorry for your loss.
