“ To my uncle Meatball I am going to miss you especially when ever I pull up on you and you never give me a chance to get out the car for asking me to take you to the store to get you a beer..Lol Well to me this is not a good bye so I am going to say until I see you again on the other side.. You or now with your mother and Father and your sisters and brothers that had went on before you .my God had other plans for you so that's why he called you home.. You are going to be truly missed and That's a Fact ..AKA Meatball .🙏🙏🙏🙏🙏🙏🙏
🙏.Love you

“ *To my uncle Felt I will truly missed you, I forever treasure my memories of you and that you love your family unconditionally. I will missed your laughter and watching you dance at family functions. You are finally free and I know that your soul transcended to heaven. I will continue to spread the love you shared to the world. Rest in peace my special uncle, no more pain and suffering. Everything is good, you are with the Lord. Love you forever!*
