“ Dear Sis Minnie, I am so sad that you're no longer here with me physically but I can just jump up and shout because Sis Minnie YOU MADE IT SAFELY HOME. I can see you now doing your Sis Minnie dance and making yourself at home. Sis I rejoice in the Lord knowing that you are with Him now. When I think about you I just smile then cry, but my tears are of joy! Praise the Lord Sis Minnie! Praise the Lord! I celebrate you my sister and I will love you FOREVER. See you later 😊❤️🙏🏻

“ Minnie and I worked closely together for 14 years in Atlanta. We had lunch together many times. She was loved by me and all those who knew her. She was truly a shining example of what we all should be. I loved her beyond words. I will miss her very much. To all her family, God bless you and comfort you during this very hard time.

I worked with Minnie years ago in Atlanta and am blessed to have had her as my friend. She was a positive force and a ray of light to me and to all who knew her. She was smart, kind, and an example of faith. She lived as we should all live and knew what truly was important in this World. And what a contagious laugh she had! I have so often responded to others through the years as she always did when asked how she was that day. "God got me up today," she would say. I loved her and was heartbroken to hear that she is no longer here. But I know without a doubt that she is singing in the Heavenly choir and dancing. Always dancing. To her family, you have my sincerest sympathy. May God bring you comfort throughout the days to come.
