

Myron High

December 11, 1952 - April 27, 2025

Myron High, age 72, of Henry County, Georgia, passed away peacefully, leaving behind a legacy of love and resilience. He is survived by his devoted wife, Mary High, with whom he shared 20 wonderful years of marriage. Together, they created a life filled with joy, laughter, and cherished memories.

Myron was a proud father to three children (Myron High Jr, Corey High, and Tiah High) a loving stepfather to two daughters (Lisa Scott and Stephanie Watts), and grandchildren (Corey High Jr, George Nesbitt V, Dayveon Burns, Dezmin Burns, Amarionna Head, and Marcello Butler) who will forever treasure the moments they spent together. He was a source of strength and support, instilling in them the values of kindness and perseverance.

Despite not being close with his birth family, Myron forged his own path and built a family of choice that brought him immense joy and fulfillment. He is also survived by two brothers (Tracy Gates and Gene High).

For the past 25 years, Myron called Henry County home, becoming a respected member of the community. He was known for his warm spirit, strong work ethic, and willingness to lend a helping hand, making a positive impact on those around him.

Myron's life was a testament to his strength and character. He will be deeply missed by his family and friends, who remember him for his laughter, wisdom,

and unwavering support. A memorial service will be held on May 31st at 2pm to honor his memory and celebrate the life he lived.

In lieu of flowers, the family kindly requests that donations be made to the American Cancer Society, reflecting Myron's compassionate spirit and desire to help others.
