“ I have had the privilege of knowing Ned my entire life. Although I did not see him often, when I did we always started our conversation as if we were in each other's lives on a day to day bases. That's the Blacksville community way of doing things. Ned was always the same no matter the situation making you laugh and appreciate who you are. Ned will be missed. God cannot and will not fail. May God continue to bless the family in the overflow. Love you guys, Lescia Stroud-Sutton
