“ Hey mom I miss you so much. It’s only been a year and a half and now grandma has come to join you. I hope y’all are laughing and talking like always. I miss you both. Please continue to walk with me . I need all the strength I can get. I love you so much. ❤️

“ I remember visiting you and Mom Wade before the pandemic outbreak. We all were so happy to spend quality time together! We talked in love, laughed with joy, and just showed genuine sisterhood. Additionally, we even took beautiful pictures together! Which I still have today, and will ALWAYS treasure that forever special day. I’ll miss texting each other, talking on the phone together. The laughter, the joy! ❤️ Rest in the bosom of Christ, Patricia! You’re loved and deeply missed! ❤️
