“ Paul Stroud,

*Can't believe you left this earth so young. Happy you had the opportunity to retire early and spend time with your grandkids. Crazy how life works.*

*You were the first hand I shook when I first walked into a Nestle facility and always encouraged me to push for more and greater there. I used to call you the Proud Stroud cause you seemed to always be proud of me and never failed to remind me ! Thanks for being such a wonderful colleague and happy to have also called you my friend .*

*RIP 🙏*
