“ Preston and I were in a long time relationship dating back to 1986 and through to just prior to his falling ill. We shared so many memorable times both in Toronto where he introduced himself to me.. and Buffalo. We Enjoyed going out on the town dancing or simply cuddling at home. He was very sensitive ..intelligent..caring and of course. A man who definately loved Style. He had it. Preston was truley A One of A Kind Man..and will be deeply missed by Me and my family. He will Never Be Forgotten..and will be Loved. Forever. Rest In Heavenly Peace..

“ I knew Preston during the 70's. He was such a dapper dresser and always a gentleman. He always spoke of his family with pride. Was very saddened to hear of his passing.

“ I was sadden to hear of the passing of Preston, formerly of Buffalo NY. Preston and I had been friends ever since the 7th grade and through high school. After graduation we became coworkers at a local utility company. My sister Peggy and his sister Ava were friends as well. Preston was a level headed great guy and friend. Whenever we would see each other we met with a brotherly love and embrace. Preston will be missed by many, especially among the members of his high school class, Buffalo East High School class of '69'. My prayers and condolences to the family that the Lord will strengthen you in this time of sorrow.

“ I am so sorry to hear of the passing of Preston Dean. I had known Preston for many years as a classmate from grade school to High School for which I have also uploaded one of our earlier class pictures. Please accept my condolences of love to your family during this sad time. I also hope the care and love of those around you will help provide comfort and peace to get you through the days ahead; Love!
