“ Mrs. Priscilla Ann Cole is how I would always address her each morning working for UPS. She was one of the sweetest, & most genuine person that I have ever known. She was always smiling & encouraging; always the same. I have never heard her speak negatively about anyone, just a loving person. She was beautiful inside & out; she was an example of how God wanted us to love & treat one another. She will truly be missed. My prayers go out to her Dad, daughters & grand children. May you experience God's love, comfort & peace!

“ Ah my Priscilla. Love checking on her up-does. Always talked about her lashes. The loss of her husband.. and then the loss of her mother. She would always say “Well Martha” and then explained why she did what she did. She had good reasoning. She loved her daughter, grandchildren and father. In her own way she was Priscilla. A blessed lady!

“ Please accept our deepest condolences, Yancey & Cole Family. Priscilla will be dearly missed. She always had such a radiant smile. I cherished visiting her as a child; she would show me her father's doves in the backyard. It was such a peaceful and beautiful setting. I will truly miss her uplifting words whenever we saw each other at our favorite store; she always brightened my day. She will forever be in our hearts.
