“ To the Gant family,

Please accept my condolences regarding the loss of Priscilla. She was a beautiful person with a gracious spirit, a humble heart, and a peaceful demeanor. I pray that God will give you all the “peace of understanding,” and that the day will come when thoughts of her will bring tears of joy and not sorrow.

Johnathan - Your Mom was consistent. She was authentic and definitely one in a million. I have witnessed her unconditional love and support for others, sometimes without regard to herself. So maximize every gift and all the wisdom she placed within you to walk through this life. Heaven is watching because your greatest fan just got her wings!

Much love,

Auntie Rita
