“ Rhondos made me feel welcome when I transferred to the AOCC. I met him while wandering around the ARTCC and he never hesitated to share information. He will be missed. Cammie, I also remember your smiling face from the RO.

“ Dear Cammie and family, my heart goes out to you. Rhondos was always kind and helpful whenever I popped in with technical questions, even as he fought illness. He has victory, and God is with you. We pray God's grace continue to surround and lift you. Les & Jeanette Lumpkins

“ *I am sorry to hear that Rhondos had passed. I knew him for over 30 years and enjoyed working with him, he was my friend. Cammie, please take some comfort in not only knowing that he is with our Father, but that he truly adored you, and no one could have ever loved him better than you, and he knew that. Both of you have always been giving and caring people, and opened your home to many; a true testament to the love that you shared together and with others as well. I feel certain he is looking down, and smiling from the joy you gave him.*

*Thanks Todd. I remember our days of being Beer Masters and Rhondos hot wings so hot y'all were crying while eating. Yes, are the ARTCC Family.*

“ I'll miss you Rhondos C Brye. And what does that "C" stand for again? I'd often ask Rhondos, what does the C. stand for in your middle name? He'd never tell me. He'd say "with a first name like Rhondos...I'm not telling you" and we'd laugh. He also thought I was Puerto Rican. We laughed about that too. Rest in peace my friend.

Neil, the C stands for CHARVON. Now that you know, are you sure you are NOT Puerto Rican. Love all the times we all had together at the Center.
