“ Robert was a brother&best friend to me for over 35 years. He has helped me thru many tough times. He had his issues like we all have but he would give me the shirt from his back. I know my brother is in heaven that was something he and i talked about often.these are some pics i took of robert and his son Nathan. You who want to bad mouth robert didnt know the same man i knew. Love you big brother see you in heaven
