“ Rob was part of our weekly lunch crew when I worked at Porex. I have never meet a kinder person who had so much joy for life. I was sad to learn of his passing and my condolences to his wife and children. He was taken from us to soon but those who knew him were blessed by his presence.

*It's hard to believe that our Robere is gone. I met him in high school, our Freshman year. I knew him as my cousin Reggie's bestfriend. In French class, our teacher called him "Robere" and it stuck with him from that day forward. Rob's playful personality, friendly presence and joyful spirit will sorely be missed. May he rest in eternal peace.*
