Hey I know this isn't the best place to write this but since I have no other way to reach out to you, I just wanted to say, thank you for everything you've done with me and for me. I know i wasn't the best to be around or felt unappreciated of you but I just wanted to say thank you for what you did teach me on how to be a positive male figure and how to do things and make sure they were done well. I'm sorry for any trouble I did cause you and for giving you a hard time as a kid and teen. But I know now you was just teaching me and showing me the way, and being that male figure that i needed. Thank you for it all. I hope you are well and safe.
