“ *The most amazing and loving woman to enter my life since the passing of my mother. This precious gem came into my life in August 2014. There wasn't anything I wouldn't do for her and visa versa. I love my Ruthie and I am heartbroken. We shared a love of flowers, birds and dogs. So when I see that beautiful cardinal in the Spring, I will immediately think of the woman who showed me so much love and kindness. Sleep my angel.*

Yes Ruthie was an amazing & lovable person like I said before I've liked her from day one, but what really amazes me is how much my husband knew, liked & adored her from Carver school in the grove where he attended, he always spoke well of her & how kind she was to all the students. Sleep on our precious sweet friend until we all meet again in the rapture, God bless Pam & Johnnie B. ❤️🙏❤️
