“ *Denise,
My sincere condolences to you and the family. Ryan and I
connected with dreams of doing something for our community in
Jamaica. We bounced ideas of what we could do - he was looking
at having a show with some reggae artists and our family was
willing to make accommodations for the artists' stay. In all our
conversations, he never forgot where he came from and I was so
looking forward to seeing his dreams for the community materialize.
Rest In Peace cuz and may God's light perpetual shine upon you.*

*May God bless and keep you and the family, in his loving arms, in
the days, weeks and months to come.*

“ Ryan showed us what love is. We are nervous, hurt, angry, distressed and in deep sorrow. We know that God knows best. We are praying and trusting God to help us heal. Ryan's space in our hearts can never be filled. What can we do to hear him run down these stairs again with his keys jingling shouting to us from the top of the stairs? The gate would have already been open when he called to say he was driving up the hill. Ryan, what happens is so hard to accept. You have a permanent space in our hearts. We will see you again. We pray for your angels to hold you, comfort you and continue taking the best care of you. We never say goodbye, we love you always! Ken, Ann, Sher and Sheneil

“ Ryan was always a joy to work with. The patients loved him and so did the staff at Anchor Hospital. When he wasn't working, he was cooking for everyone. Ryan always put a smile on my face . He loved telling stories about Jamaica. Thoughts and prayers to DENISE and the rest of his family.
