“ *My heartfelt sympathy to Sharon's family and all who knew and loved her.*

*Sharon had a sweet, caring nature and was a good and supportive friend to me when I really needed one. I will miss her friendship and kindness, deeply. While there are no words that can ease our pain, I pray that we will cherish our fond memories of her that even death can't steal and take comfort in knowing that she is resting peacefully.*

“ To my beautiful big cousin Sharon. I'm so saddened with grief that you are gone and I'm unable to attend your final home going ceremony. I know that God has called you home for a purpose and he needs you more with him in heaven than here on earth. Your now at eternal peace .
