“ I am so very sorry to hear this sad, divesting loss . You are all in my prayers,

Sharon Ann and I met at work and have been friends for over 20 years. She always kinda kept me under her wing. We had many many memories together, inside and outside work. I will forever hold them close to my heart! And I will never stop hearing her soft voice saying my name, "Gerri Ann, whatch ya doing?" I am very blessed that she was part of my life.

“ Sharon was my Susie Sunshine. She lit up my day and my life with her infectious smile, her grit determination, kindness and reminding me how nice it was in Georgia as we froze our butts off in February here in Pittsburgh.

I raise a toast of vodka to her and thank God for the pleasure of knowing her. God Bless Sharon and her family.
