“ I met Miss Shirley when I was at AG Rhodes for rehab this past summer and she really made an impact on meI'll never forget her ...such a good Christian woman ...such a fine person to talk to ...she loved the Lord and she lifted me up every day.... I hate that Miss Shirley is not with us anymore...I really do ...but I know that she's so happy right now And I just want all of her children to know you have my deepest sympathyI know you're hurting at this time and there's no amount of words that can soften the pain but I wanted you to know what an impact she made on me the short time I was at AG Rhodes with her heavens a lot brighter right now because she's there.....Kathy Waugh
