“ *Cousin Shirley your smile literally up the room, I know you were cousin but I always called you Aunt Shirley. I have the memory of you when you lived by us in Pottstown Pa, I came over and seen you ironing your hair, it was so long and beautiful, I remember thinking That’s a lot of hair. Thank you for showing so much grace to us. You know you were always the only one that called mom(Vallie) Peaches. Until we see you again you have given us all great memories to hold on too. Love you in this lifetime and the next one.*

“ I love you Momma. I pray you'll show me a sign soon that you're ok 🙏 I've always felt that it was my purpose in this life to take care of you, to protect you and to show you all the love that you never properly received from people who were supposed to love you. Caring for you was my sole mission...now you're gone and I feel lost. I'm sure I'll channel your strength and courage to push through until I discover my new purpose.

THANK YOU for being the best most selfless mother that I could ever ask for. Thank you for raising me, single handed...to be a good person, to be a fighter when the situation calls and to carry myself with respect and dignity as a woman. I'm not cut from the same cloth as you Momma, not built as strong but the wisdom you've shared with me and resilience you've shown me throughout the years has prepared me well for life, for people...for the good and for the bad.

I can't wait to see you again Momma. I sure miss you something awful! You're my girl. I'm so grateful to God that he blessed me with you as my momma. I'm going to hit Bojangles for that ham and egg biscuit from time to time in your honor. I love you forever.

“ *I had the honor and privilege of meeting Miss Shirley Ann and the Florence family a few years ago, and from the very first day, it felt as though we had known each other for a lifetime. Every visit came with the kind of love and hospitality that made us feel special. She didn't just welcome us into her presence, she rolled out the red carpet and gave us the VIP treatment.*

In the short time I was blessed to know her, she left an indelible mark on my heart. Seeing her dance, celebrate, and truly enjoy her 70th birthday was a beautiful reminder to cherish life, family, and the moments God gives us. That memory will stay with me forever.

Queen Shirley, you will truly be missed by my wife and I, and by the entire Clark family who were fortunate enough to meet you and experience your love firsthand. Your legacy will live on forever

With love and deepest sympathy, “Suge & Bae” and the Clark Family

“ To my beloved older sister Shelly as we called you. I am going to miss you dearly. We had some great times growing up with six girls. You accomplished a lot in your life, alone with raising three children. I thank God for your life. I know you were tired and ready to go. You have fought the good fight, You have finished the race, and you kept the faith. Go and take your rest. Your family loved you but God loved you best. We shall meet again. Love Niece and Alexis. ❤️❤️
