Ms. Naomi, I am so sorry for your loss. I have suffered many losses but the worst has been the loss of my child. I understand this is your fourth. I can't imagine the pain that you are feeling right now, however, I know you know where to go for comfort and strength. God will bring you through. He has done it before and He will do it again. I will continue to pray for you and your family. God bless you all. We will stay in touch.
