“ I’m going to miss you my friend. I remember when we “re-met”. You asked me if I knew who you were and I said you looked familiar. You said I was too young to remember and asked if my daddy was Gap. Then you told me to go ask my family who Big Boy was. I’m going to miss you calling me Red. The last time we spoke you congratulated me on the birth of my son. I’m going to miss that energy, that smile, and that laugh! Rest easy Big Boy! ❤️

Prayers for the watkins and Tyler families, so sorry for your loss Terrance (big boy) was very well thought of, we talked on some occasions, to me he was a very respectful young man, I remember when he was a lil boy, he was such a character, I remember when he got in front of my car trying to stop it 🤪when he was a lil fella on Greenway park, I would kid him about it after he grew up, he would say yes Ms nonia they said I was a character. Rest in paradise Terrance, prayers for both families 🙏🙏 for strength to endure. Love you marnae
