“ From the Evans, our hearts go out to you all. I loved Theresa like she was my own. I watched her grow into a young lady. Big Jim you and Pat did a great job raising her.

*I remember when Theresa was at a very young age and came to me and said Uncle Luther will teach me how to play Tennis. Well, that was the beginning of a long journey of days, nights, weeks, months and years. It was a pleasant journey because whatever exercise or training I asked her to do, she did it with no argument and did it well. Over the years some of my Tennis buddies asked about her because they had a hand in helping with the tennis instructions. Theresa is and will be missed.*

*Much love and Prayers, Uncle Luther

“ To the entire family of Theresa, she was a dear friend where we began about 18 years ago. Our sons both named Cameron shared many basketball games, vacation companions and numerous great times together. Such a kind and calm spirited woman. We will miss her tremendously. “ I met Theresa many years ago when Cameron was just 7 or 8 years old. I was his basketball coach and wife was the team mom.

We grew as a family (Kingdom Elite) and watched our boys grow up into great young men.

Theresa and I also shared the fact that we went to Illinois Institute of Technology in Chicago and shared a love of House Music.

She was such a great person and always sweet. We will miss her.

Lovingly,

Coach Rogers, Krista, Tyler and Harrison
