“ Ray is my mother's brother. Mary "Madar" as we called her. She got her wings in 2000. Aunt Valeda and uncle Ray were always seen together. Aunt Valeda was there for me and my family through it all. When my sister had a stroke, Aunt Valeda would call and check in to see how we were doing. She even sent us money for parking when we went to see my sister in the hospital. She was a very caring person. She will be missed but never forgotten. Take you rest and tell my mom, dad, brother, and sister I said hi. Love you 😊

“ *My deepest and sincere Condolences to the Hunter Family. Mrs. Hunter was my Mother-in-Law for over 20 years and the Grandmother to my 2 sons.*

I just spoke with her a couple months ago. I was planning a visit with her, once Covid was over.

Rest well Mrs. Hunter!

“ I offer my Condolences to the entire Hunter family during this time of Bereavement, especially my Closest Friend whose more like a brother than a friend (Randy Hunter). Randy and I started the Atlanta Police Department together on April 18 1980, we been close every since and had each other back no matter the circumstances. Randy introduced me to his family and they instantly made me feel welcomed. Mrs. Hunter took me in and made me feel like I was one of her boys. It wasn't like she needed another son she already had 3 boys and a Son-In-law to watch over. But it made me feel good to be included in the family of hers and Mr. Ray Hunter. Later came the Cherry on top when Randy and I no longer worked together, Mrs Hunter, Cedric Hunter(brother) and I ended up working together at Young Middle School. Mrs. Hunter and I had a love for sending the kids to school by playing the Georgia Lottery every day with the hope of getting lucky every Now and Then 😊. Mrs. HUNTER, You are Loved and will be missed, but you certainly Won't be Forgotten.

“ I remember when my mother introduced me to Mama Veleda they worked at Rich's and discovered they both had daughters the same age. And when they introduced Step and myself they were surprised that we already knew each other. But the fondest memory was when I was looking for a job and went down to Rich's I didn't know they were picketing the store she looked up and saw me told me if I crossed that line I would get a good spanking. I didn't cross that line. Mama Veleda I will miss you. Tell mama hey for me. Rest on.
