

## Vera Eugenia Paul

May 3, 1936 - June 9, 2023

Born to Harrison and Milcian Paul on May 3rd 1936 in Princess Town, Trinidad Tobago.

As a child she was loving, caring, thoughtful, and always willing to lend a helping hand. Vera attended grade school, however wasn't able to go any further. Furthermore her lack of education did not stop her from excelling.

This shows her determination as an individual that proved not having an education can't hold you back. She worked long and hard for several years as a nursing assistant in New York City until she retired from an injury.

As an adult she married, divorced, and bared a child which did not survive delivery. As a result she poured herself into missionary work. This gave her the opportunity to love others, with her big heart and love for God she chose to travel the world spreading the good news of Jesus to multiple countries, cities and towns, she brought light to dark places.

In her passing she leaves behind her only baby brother Emanuel & Deborah(deceased) Paul, her oldest sister Sheila (deceased) & Anthony Sylvester(deceased) a host of nieces, nephews, cousins, and friends.

Last words of encouragement

"Blessed are those who mourn for they shall be comforted." The good news: God will never abandon us during our times of grief. Instead, he will always

provide us with love and hope.

“ I met Ms. Vera Paul on a flight from Miami to Jamaica. There was 1 empty seat and that was the seat between us. We chatted the entire flight and struck up a strong and beautiful relationship. She was a beautiful spiritual mother to me and my husband - always loving, caring, and prophesying and calling out the best in our life. She was on fire for God and I know that I God welcomed her with open arms. Family she was a precious jewel to me, and sadly missed. May she rest in peace.
