“ Condolence to Verna's beloved family ,she always spoke so lovingly about her children and husband. It was my great pleasure to work with Ms. Verna at Vitas. She never failed to greet me and everyone with a genuine smile every morning. I looked forward to seeing her and truly enjoyed every minute I spent with her. Verna would lit up any room with her vibrant spirit and kind nature. May her spirit live in all she touched. She left a legacy of love and compassion to all.

“ Let me start by expressing my deepest condolences for Ms. Verna's family. I worked with Ms. Verna @ Vitas for 10 years and she was like my "work mom". I loved her dearly and in fact, in our last text correspondence on Friday, March 22nd, we closed by telling each other that we loved one another...my heart is so broken now that she has departed this earth. I will never forget you Ms. Verna and will cherish the times we shared. I know that the angels in heaven are rejoicing...fly high beautiful Ms. Verna...

“ My name is James L. Turner friend and neighbor to Mister and Mrs. Douglas. I remember talking Mrs. Douglas about putting up a fence around my back yard for some privacy. Mrs. Verna said I have a better idea won't you plant some Pine trees and I will do the same and it will be a beautiful border and provide privacy as well... Well if you ever visit 604/600 AspenBrook drive, you will see a line on each side of our properties, these are the trees that Mrs. Verna suggested we plant and my they have grown so beautifully. Now when I am out in my backyard or gaze out my window to watch the birds feed....I will always look at the beautiful pine trees and remember the wonderful woman who provided the idea. RIP Mrs.Douglas. I will always remember you.
