“ My sincere condolences to the family. Your mother was a beautiful person inside and out. I remember all the times she would call and ask for my number and cat information when I first met you so that she knew who her baby was with. It was then that I knew how much she loved you unconditionally,
Her heart was full of love and her soul was pure.

I am thinking of you and your dad during this difficult time. Peace will come soon,

With all my love,
Lekisha

Please accept my sincere condolences for the transition of such a beautiful woman of God. Sister Veronica was a quite spiritual person who loved and trusted God. I would send her a devotional Monday-Friday, she would always take the time to say “thank you.”
I am going to miss her.
She was faithful and supportive of her church family. She especially loved her husband , daughter and the entire family.
We are in continued prayer for the family during this difficult time. May God’s grace and mercies continue to rest upon each of you!

Blessings & Lo

“ *Sis. James was truly one of the sweetest souls. I'll never forget her kindness—every December without fail, she would hand me a Christmas gift and say, “Here Mechelle, I have you something.” That simple gesture meant so much. Her kind spirit and quiet generosity were a blessing, and I will truly miss her friendship. 💔🕊️*
