“ *My grandmother was the sweetest most beautiful woman, she never complained and always talked to her grandchildren about life... Stories of what she endured coming up as a child made us appreciate her more than ever, I loved her dearly, enjoyed her teachings and me doing her feet. She will be greatly missed, but I know she's flying high and will be our angel forever watching over us. May she rest peacefully*

To Aaron Leonard Janis and Cheryl My prayers are with you guys love you and God bless*
