To our family and friends. Gloria (wife) and Jean (sister) have our deepest sympathy. It is impossible t say something when facing such a difficult loss. However, we want you (Gloria and Jean), the family and friends to know that we care about you, love you and share your sadness. We are confident that you will have peace and comfort by the receipt of much prayer to face the days ahead. We are sure the loving memories of our dear brother will keep, strengthen and comfort you, the family and friends in the days ahead. God Bless
